Bankruptcy & Debtor/Creditor Rights

ES BANKRUPTCY COURT

At our Bankruptcy and Debtor/Creditor Rights Practice Group, our attorneys adopt a proactive and innovative approach to navigating the complexities of insolvency. We represent a diverse array of clients, including debtors and creditors, in bankruptcy proceedings across state, federal, and bankruptcy courts. Our seasoned legal counsel is trusted by secured and unsecured creditors, creditors' committees, lending institutions, trustees, and debtors, all of whom rely on our expertise to guide them through challenging landscapes. Additionally, this group has a Chapter 7 trustee that the Department of Justice has appointed to serve in the USBC-EDNY.

Our team collaborates closely with specialists in corporate and real estate law to devise strategic solutions tailored to the needs of our clients. For instance, we expertly workout and facilitate connections between investors interested in acquiring distressed properties and business owners aiming to liquidate, creating mutually beneficial opportunities.

Beyond litigation, our attorneys help clients creatively navigate out of financial distress and pave the way towards financial recovery. With timely intervention, we can leverage strategies like lease renegotiations or financing agreements as catalysts for debt restructuring, ultimately benefiting all parties involved. This holistic approach underscores our commitment to securing the best possible outcomes for our clients.
