

Nonprofit/Tax-Exempt/Religious Organizations

S Supporting Those Who Serve Others

At Certilman Balin, we proudly partner with nonprofit, tax-exempt, and religious organizations to help them thrive in a time of increasing regulatory oversight and compliance challenges.

Our team provides practical, experienced guidance on everything from corporate governance and day-to-day operations to complex transactions like mergers and real estate sales. We also advise on labor issues, ethics and conflicts of interest, risk management, litigation, environmental matters, and banking.

We work with a wide range of organizations—from local charities and regional nonprofits to national foundations and international religious institutions. Whether you're a 501(c)(3) or another type of entity, we tailor our approach to meet your unique needs.

With the strength of 17 practice areas behind us, we bring a multidisciplinary perspective to every client relationship. Our attorneys are also frequent speakers at conferences and forums, sharing insights that help nonprofit leaders understand their fiduciary duties and protect themselves from personal liability—while advancing their mission with confidence.
